

MINI TRENCHER TCR1500

AUSTTER

- Electrostatic spray, not easy for paint dropping.
- The blade material is made of hard alloy
- Maximum groove depth:600mm

TUV Rheinland CE approved 15hp gasoline engine powered mini trencher.

POWER WITHOUT COMPROMISE

This is an phenomenal efficient, aggressive, fast, compact and impressive beast, and emission compliant, what reasons do you have for refusing it?

Threaded lifting rod, which is more convenient to operate and can easily adjust the trench depth to any depth, not limited by the previous 4 preset depth.

We installed a small wheel, we can push the trencher with less effort and don't need to press the handle strongly when pushing forward.

Carbide alloy blade: 27pcs

TECHNICAL SPECIFICATIONS

	TCR1500
Power	15HP, Four Stroke Gas Engine
Start	Recoil
Trench Width	100mm
Trench depth	0mm-600mm
Blade Number	27pcs
Chain Length	2000mm
Chain Speed	550m/min.
Weight	182 kgs
Packing	1150*770*860mm

FASTER, STRONGER, MORE EFFICIENT.

Mini Trencher TCR1500 is powered by 420cc gasoline engine, the trenching width is a practical 100mm and the trenching depth can go anywhere up to 600mm deep. This powerful engine is capable of ripping through even the most clay ridden ground.

YOUR YARD MASTER

We upgraded it with a thread lifting lever, which can easily adjust the trench depth to anywhere. There's also a small wheel in front, so you can push the trencher to worksite easily.
